

## **ARENA WINTER SOFTBALL**

Arena Winter Softball will be played at Sports City which is located 1 mile off Interstate I-195 in Farmingdale, NJ (behind Howell Ice Arena).

The facility is 40,000 sq. feet of turf, in a climate controlled building which is available for all sports.

The plan is to have 6 teams of 10 Players and the games will be played with 7 defenders. (field 7 and bat 10).

In addition to the games, we will have unlimited use of the batting cages for BP. BP will be before and/or after your scheduled game.

We are planning on 28 days of Winter Softball.

The cost to sign up is \$150.00 per man or \$5.35 per day.
