If Scrappers dissolve, there will be no paid umpires. The bye team will supply volunteers to umpire the two double headers.

League rosters to include birth dates for all players

Unresolved Issues

The Scrappers team will either dissolve and players will be allocated to remaining teams or will be bulked up to a competitive team. Clifford Aymes and Dave Link suggested going to Scrappers and bringing with them league new players. Al Roma stated that even if the potential new team becomes the best team in the league, that is ok with him. Clifford Aymes stated that it is in the best interest of the league long term that we acquire as much new young talent as possible. If Dave Link leaves PI, PI will need to acquire a new A player to replace Dave.
