## MINUTES TO MANAGERS MEETING

---

Steve Leonardo remains President/Treasurer of the League and George Helmstetter remains League Secretary.

Kitchen World has dropped out of the League citing their long commute. Liberty Contractors have replaced them in our League with a comparable talented team. Mercer Classics have renamed their team as the "Xmen".

DUES WILL REMAIN AT \$600 FOR EACH TEAM WITH PAYMENT DUE BY JUNE 1<sup>st</sup>. A late fee will be charged for any team not in compliance with the due date. Since we will tap into our reserves, the new team (Liberty) will also be charged a one-time initiation fee of \$50 as their contribution to our reserve. Lenny's group will be retained as our umpires.

The League has been reorganized into 3 divisions, predicated on last year's records and past history. More games against similar talented opponents will make the League more competitive for all teams.

We are waiting to confirm assigned fields and start dates with Mercer Park before we can issue our schedules.

Winning teams are reminded to text, phone, or e-mail George Helmstetter with scores immediately following their games in this anticipated highly competitive season.

IT IS HIGHLY RECOMMENDED THAT ALL PITCHERS WEAR A PROTECTIVE MASK WHILE PITCHING. This is a safety precaution and may become mandatory in the future.
