

SPECIAL ANNOUNCEMENT!!!!

Please share with your players!

The New Jersey Senior Olympics Tournament will be held on Saturday September 21st at Boynton Park in Port Reading (Woodbridge Township). This tournament has been in existence for the last thirty years with a few men's softball team participating. More teams are needed!!! The NJSO Committee has changed the date of this tournament this year to accommodate a lot of players from New Jersey who are participating in the Cape Cod Classic. This is an enormously kind jester on their part which, in turn, deserves our utmost cooperation and participation. **THEY NEED OUR HELP** and our League is committed to give them the assistance to make this tournament a truly successful event.

The cost per team will be \$175.00 (exactly \$15.00 per player for a team of 15 players). Games will start at 9:00 a.m. The format will be a round robin or best two out three depending on the number of teams involved. We would like to have teams on the various age brackets (55-60, 60-65, 65-70, 70-75, 75+). Obviously, the game schedule cannot be developed until we know how many teams are participating. All games will be six innings long or one hour and ten minutes in duration. **Senior bats are prohibited!!**

Medals will be awarded to first, second, and third winners. In addition, all participants will receive a collared shirt and are welcomed to stay for a gigantic BBQ after the games sponsored by the NJSO.

All rosters must include the players name, address, phone number, e-mail address, age, signature, and date they signed the roster. Additional information for registration can be obtained from Gene Stracco or Al Cheli.

This is our time to step to the plate and help Mike Garamella, Director of the New Jersey Senior Olympics) who has been very generous and supportive of our League over last couple of years. Please encourage your players to develop teams or even register your team to participate in this tournament. Additional information for registration can be obtained from Gene Stracco (973-361-3271 or genestracco@optimum.net) OR Mike Garamella (973-575-8877) or mjgpromotions.com.

Thanks Gene Stracco
