

# Onofrio Jack Gulino

November 23, 1957 ~ June 20, 2019 (age 61)

---

It is with great sadness that we inform you of the unexpected passing of Jack Gulino, a longtime and cherished Wakefern associate. As a Senior Network Engineer in CISD, he had been with the Wakefern family for more than 35 years. Jack was known for his caring, gentle nature and his infectious smile. Jack will be deeply missed by all of us.

A beloved member of the CISD team, he joined Wakefern in 1983 as a Senior Systems Programmer. He was instrumental in designing our core network, and worked across all Wakefern divisions to support video and technical needs. Jack enjoyed running, biking, wine and sauce making and most importantly, spending time with his family and friends and coaching sports. He was a regular volunteer at the Special Olympics and volunteered with his entire family for more than 15 years. He was also involved in the Wakefern running club and St. Josephs Holy Name Society.

Jack Gulino, 61, of Millstone, New Jersey passed away on Thursday June 20, 2019. Jack was born November 23, 1957 in Ribera Italy, moving to the U.S. in 1965. Jack was a loving husband, father, brother and friend. His love for his family and friends went above and beyond. Jack is leaving behind his wife of 35 years Rose and their children Vincent, Jaclyn and Andrew Gulino. Jack will be deeply missed by his brother Joseph and his wife Delsy and his Sister Giovanna and her husband Anthony Triolo and many nieces and nephews. Jack is predeceased by Vincenzo Gulino of 1995.

Our deepest prayers and sympathies are with Jacks family, and friends along with the many colleagues whom he worked closely with.

Please keep them in your thoughts and prayers as they go through this difficult time.

Fond memories and expressions of sympathy may be shared at <https://www.dignitymemorial.com> for the Gulino family.
