If a team does not have a sufficient number of players to play a game (9 is least number to start a game), the game will NOT be played. There will be no forfeits or any other action taken against that team. We are attempting to play as many games as possible without causing difficulties for some teams.

2. Our League and the New Jersey Senior Olympics are scheduling a State wide softball tournament in Warren Park, Woodbridge on Saturday Sept 21st. The fee for entering a team is \$175.00 dollars (\$15.00 per person for 15-man team). An All-Star team or a regular team can compete in various age levels (50+, 60+, 65+, 70+, 75+). The Tournament will include a BBQ after the Tournament, each participate will be given a shirt, and the winners will be presented with metals. Al Cheli will coordinate teams from our League who want to enter. Gene Stracco, Frank Shapiro, and Bill Perlman will coordinate teams from outside our League. This is another opportunity for our League to compete on tournament level play. Mike Garamella has been so helpful and generous over the last couple of years to our League. Mike is the Director of the State Senior Olympics and we should be able to support him in this endeavor. Any question about this Tournament, contact Al Cheli or Gene Stracco.

Thanks,
Gene Stracco
