Attached are final results of the August 24th All-Star State Tournament. Congratulations are in order for the Champion, Retro Fitness, managed by Blace Kopala and general manager Charlie Dilkes. After some issue with the number of teams in the Tournament and the revised schedule, all endured and thoroughly enjoyed playing in the Tournament. Many thanks to the players, managers, umpires and the State Committee for their invaluable cooperation and patience in making this Tournament a very successful one. We learned a lot from this experience, and notably, we will improve to make next year's Tournament bigger and better.

Thanks again for all your assistance.

**Gene Stracco and Charlie Dilkes**
