NJSSA 2018 50's Tournament Results

July 29, 2018 at Linden Memorial and Tremley Fields

Tournament was rained out on Saturday but all Managers were contacted to make sure they had enough players to compete on Sunday's Tournament. There were three Championship teams but there were no losers. All players were winners for participating in the Tournament.

The 50's State Tournament was a huge success this year with 9 Teams participating.

Multiple players approached me to thank me for running the Tournament especially after postponing on Saturday due to poor field conditions. The managers and players liked the tournament format and the divisions were equally matched.

The Dirty Dozen was makeshift team of players from multiple rosters due to Deegan dropping out Saturday morning and not having enough players to participate Sunday.

Thanks to all for a successful tournament,

Farlan Alusik
