Attached are final results of the August 23th All-Star State Tournament. Congratulations are in order for the Champion, Air Concepts, managed by Blace Kopala. After some issue with the number of teams in the Tournament and the revised schedule, all endured and thoroughly enjoyed playing in the Tournament. Many thanks to the players, managers, umpires and the State Committee for their invaluable cooperation and patience in making this Tournament a very successful one.

Thanks again for all your assistance.
